(Dissemination L2 Approved Partners and First Responders)

Hello INTERSECT partners,

We are aware that there are several operational groups attending different meetings today regarding the convoy.

To clarify, this morning's 9:30 regular INTERSECT meeting will be business as usual for the first part and has been extended by 30min to include some convoy information at the end, for situational awareness and to identify concerns. A reminder that this meeting has been changed to a TEAMS meeting, with an option to call in and use audio-only. The number is included in the updated invite.

We will be sending out an invite for a noon meeting today specific to INTERSECT law enforcement partners.
